ABOUT US

Our Purpose

- ✓ Connect
- ✓ Innovate
- ✓ Partner with the best
- ✓ Fuel progressive growth

Our Vision

Among the market clutter, AIG aims to stand out as the partner of choice for enterprise businesses. As a value added reseller and business consultancy, we endeavor to contribute directly to the overall development of the Egyptian market through the provision of on-demand technology-driven solutions and specialized products.

Our Mission

We connect the local market to the most relevant global innovations and groundbreaking technologies. In partnership with the world's most recognized suppliers of specialized products, we streamline insightful market intelligence into an array of Egyptian sectors to fuel the progressive growth and forge the transformation.

WHO WE ARE

Our Footprint

With its HQ in Cairo, Egypt, and offices in UAE and UK, AIG provides its expertise and solutions through a growing footprint spanning 3 continents. .
